

The Olympus “Total Partnership Program”

Optimize Your Supply Chain

Total Value Offer

Olympus has more ways to support business and clinical needs, while saving you money.

- ✓ Full range of endoscopic devices to meet your needs
- ✓ Comprehensive repair services and on-site support
- ✓ Competitive and creative financing solutions
- ✓ Benchmarking and in-depth efficiency reviews available

The Complete Package

Offering capital, service, consumable devices and reprocessing solutions, for one low price.

- ✓ Make one payment a month that covers all categories
- ✓ Enjoy stable and predictable expenses for years at a time
- ✓ Structure payments to meet facility needs and procedure volume
- ✓ Unexpected consumable costs can be paid for later and spread over months or years

How to Get Started

Work with the Olympus sales team to lay out a plan that will meet your facility needs.

- ✓ See savings from combining everything into one payment
- ✓ Place replenishment orders for consumables as needed
- ✓ Start with shipment/installation of all capital equipment and initial inventory of consumables
- ✓ Have periodic reviews with the Olympus team to track progress and savings
